6. Transfer Methods and Amounts. There are limits on the amount of money you can send or receive through our Account to Account Transfer Service. Your limits may be adjusted from time-to-time in our sole discretion. You may have the ability to log in to the Site to view your individual transaction limits. We or our Service Provider also reserve the right to select the method in which to remit funds on your behalf through the Account to Account Transfer Service, and in the event that your Eligible Transaction Account is closed or otherwise unavailable to us the method to return funds to you.

7. Transfer Cancellation Requests. You may cancel a transfer at any time until it begins processing (as shown in the Account to Account Transfer Service). We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, or denied transfer to your Account that we debited for the funds transfer. If this is unsuccessful (for example, the Eligible Transaction Account has been closed) we will make reasonable attempts to otherwise return the funds to you.

8. Stop Transfer Requests. If you desire to stop any transfer that has already been processed, you must contact customer care for the Account to Account Transfer Service pursuant to Section 26 (Errors, Questions, and Complaints).

You agree to pay such charges and authorize us to deduct the calculated amount from the applicable Eligible Transaction Account you hold with us or the Account that is debited for the funds transfer, depending on how such charges are described in the user interface for the Account to Account Transfer Service. Any financial fees associated with your standard deposit accounts will continue to apply. You are responsible for any and all telephone access fees and Internet service fees that may be assessed by your telephone and Internet service provider. Section 22 (Failed Or Returned Transfer Instructions) applies if you do not pay our fees and charges for the Account to Account Transfer Service, including without limitation if we debit the External Account for such fees, as described in this Section, and there are insufficient fees in the External Account; Section 22 (Failed Or Returned Transfer Instructions) should be interpreted as applying to the External Account, not just the Eligible Transaction Account, in such circumstances.

11. Returned Transfers. In using the Account to Account Transfer Service, you understand transfers may be returned for various reasons such as, but not limited to, the External Account number is not valid. You may be assessed a late fee equal to one and a half percent (1.5%) of any unpaid amounts plus costs of collection by our Service Provider or their third-party contractor if the Transfer Instruction cannot be debited because you have insufficient funds in your Eligible Transaction Account, or the transaction would exceed the credit or overdraft protection limit of your Eligible Transaction Account, to cover the transfer, or if the funds cannot otherwise be collected from you. The aforesaid amounts will be charged in addition to any NSF charges that may be assessed by us, as set forth in your fee schedule from us (including as disclosed on the Site) or your account agreement with us. You hereby authorize us and our Service Provider to deduct all of these amounts from your designated Eligible Transaction Account, including by ACH debit;
